AND JON CASSELL

Application No. 09/627,951

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on April 4, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

On December 20, 2005, an Examiner's Answer was entered into the record. In the Evidence Relied Upon section, page 2, paragraph 8, the examiner has stated, "No evidence is relied upon by the examiner in the rejection of the claims under appeal." A review of the file reveals that references to Sampson (U.S. Patent No. 5,802,499), Hawkins et al (U.S. Patent No. 5,247,000), Warmus et al. (U.S. Patent No. 6,205,452), Tso et al. (U.S. Patent No. 6,385,602) and Williams et al. (U.S. Patent No. 6,016,484) were applied to the statement of rejections in the Grounds of Rejection, paragraph (9) of the examiner's answer. Before further review, the examiner must mail a PTOL-90 that will include in the Evidence Relied Upon section, the list of references mentioned in the statement of rejections. See the Manual of Patent Examining Procedure, (MPEP) 1207.02. Appropriate correction is required.

Application No. 09/627,951

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

- 1) issue and mail a PTOL-90 having the missing references listed under the Evidence Relied Upon section, heading (8) of the Examiner's Answer: and
- 2) for such further action as may be appropriate.
